- (c) A restricted rental unit shall remain subject to the affordability controls of this Ordinance, despite the occurrence of any of the following events:
 - 1. Sublease or assignment of the lease of the unit;
 - 2. Sale or other voluntary transfer of the ownership of the unit; or
 - 3. The entry and enforcement of any judgment of foreclosure.

Section 16. Price Restrictions for Rental Units; Leases

- (a) A written lease shall be required for all restricted rental units, except for units in an assisted living residence, and tenants shall be responsible for security deposits and the full amount of the rent as stated on the lease. A copy of the current lease for each restricted rental unit shall be provided to the Administrative Agent.
- (b) No additional fees or charges shall be added to the approved rent (except, in the case of units in an assisted living residence, to cover the customary charges for food and services) without the express written approval of the Administrative Agent.
- (c) Application fees (including the charge for any credit check) shall not exceed five percent of the monthly rent of the applicable restricted unit and shall be payable to the Administrative Agent to be applied to the costs of administering the controls applicable to the unit as set forth in this Ordinance.

Section 17. Tenant Income Eligibility

- (a) Tenant income eligibility shall be in accordance with N.J.A.C. 5:80-26.13, as may be amended and supplemented, and shall be determined as follows:
 - 1. Very low-income rental units shall be reserved for households with a gross household income less than or equal to 30 percent of median income.
 - 2. Low-income rental units shall be reserved for households with a gross household income less than or equal to 50 percent of median income.
 - 3. Moderate-income rental units shall be reserved for households with a gross household income less than 80 percent of median income.

- (b) The Administrative Agent shall certify a household as eligible for a restricted rental unit when the household is a very low-income, low-income household or a moderate-income household, as applicable to the unit, and the rent proposed for the unit does not exceed 35 percent (40 percent for age-restricted units) of the household's eligible monthly income as determined pursuant to N.J.A.C. 5:80-26.16, as may be amended and supplemented; provided, however, that this limit may be exceeded if one or more of the following circumstances exists:
1. The household currently pays more than 35 percent (40 percent for households eligible for age-restricted units) of its gross household income for rent, and the proposed rent will reduce its housing costs;
 2. The household has consistently paid more than 35 percent (40 percent for households eligible for age-restricted units) of eligible monthly income for rent in the past and has proven its ability to pay;
 3. The household is currently in substandard or overcrowded living conditions;
 4. The household documents the existence of assets with which the household proposes to supplement the rent payments; or
 5. The household documents proposed third-party assistance from an outside source such as a family member in a form acceptable to the Administrative Agent and the owner of the unit.
- (c) The applicant shall file documentation sufficient to establish the existence of the circumstances in (b)1 through 5 above with the Administrative Agent, who shall counsel the household on budgeting.

Section 18. Administration

- (a) The position of Municipal Housing Liaison (MHL) for the Town of Boonton is established by this ordinance. The Boonton Town Council shall make the actual appointment of the MHL by means of a resolution.
1. The MHL must be either a full-time or part-time employee of the Town of Boonton.
 2. The person appointed as the MHL must be reported to COAH for approval.
 3. The MHL must meet all COAH requirements for qualifications, including initial and periodic training.
 4. The Municipal Housing Liaison shall be responsible for oversight and administration of the affordable housing program for the Town of Boonton, including the following responsibilities which may not be contracted out to the Administrative Agent:
 - i. Serving as the municipality's primary point of contact for all inquiries from the State, affordable housing providers, Administrative Agents and interested households;
 - ii. The implementation of the Affirmative Marketing Plan and affordability controls.
 - iii. When applicable, supervising any contracting Administrative Agent.
 - iv. Monitoring the status of all restricted units in the Town of Boonton's Fair Share Plan;
 - v. Compiling, verifying and submitting annual reports as required by COAH;
 - vi. Coordinating meetings with affordable housing providers and Administrative Agents, as applicable; and
 - vii. Attending continuing education opportunities on affordability controls, compliance monitoring and affirmative marketing as offered or approved by COAH.
- (b) The Town of Boonton shall designate by resolution of the Boonton Town Council subject to the approval of COAH, one or more Administrative Agents to administer newly constructed affordable units in accordance with N.J.A.C. 5:96, N.J.A.C. 5:97 and UHAC.
- (c) An Operating Manual shall be provided by the Administrative Agent(s) to be adopted by resolution of the governing body and subject to approval of COAH. The Operating

Manuals shall be available for public inspection in the Office of the Municipal Clerk and in the office(s) of the Administrative Agent(s).

- (d) The Administrative Agent shall perform the duties and responsibilities of an administrative agent as are set forth in UHAC and which are described in full detail in the Operating Manual, including those set forth in N.J.A.C. 5:80-26.14, 16 and 18 thereof, which includes:
1. Attending continuing education opportunities on affordability controls, compliance monitoring, and affirmative marketing as offered or approved by COAH;
 2. Affirmative Marketing;
 2. Household Certification;
 3. Affordability Controls;
 4. Records retention;
 5. Resale and re-rental;
 6. Processing requests from unit owners; and
 7. Enforcement, though the ultimate responsibility for retaining controls on the units rests with the municipality.
 8. The Administrative Agent shall have authority to take all actions necessary and appropriate to carry out its responsibilities, hereunder.

Section 19. Enforcement of Affordable Housing Regulations

- (a) Upon the occurrence of a breach of any of the regulations governing the affordable unit by an Owner, Developer or Tenant the municipality shall have all remedies provided at law or equity, including but not limited to foreclosure, tenant eviction, municipal fines, a requirement for household recertification, acceleration of all sums due under a mortgage, recoupment of any funds from a sale in the violation of the regulations, injunctive relief to prevent further violation of the regulations, entry on the premises, and specific performance.
- (b) After providing written notice of a violation to an Owner, Developer or Tenant of a low- or moderate-income unit and advising the Owner, Developer or Tenant of the penalties for such violations, the municipality may take the following action against the Owner, Developer or Tenant for any violation that remains uncured for a period of 60 days after service of the written notice:
1. The municipality may file a court action pursuant to N.J.S.A. 2A:58-11 alleging a violation, or violations, of the regulations governing the affordable housing unit. If the Owner, Developer or Tenant is found by the court to have violated any provision of the regulations governing affordable housing units the Owner, Developer or Tenant shall be subject to one or more of the following penalties, at the discretion of the court:
 - i. A fine of not more than \$250.00 or imprisonment for a period not to exceed 90 days, or both. Each and every day that the violation continues or exists shall be considered a separate and specific violation of these provisions and not as a continuing offense;
 - ii. In the case of an Owner who has rented his or her low- or moderate-income unit in violation of the regulations governing affordable housing units, payment into the Town of Boonton Affordable Housing Trust Fund of the gross amount of rent illegally collected;
 - iii. In the case of an Owner who has rented his or her low- or moderate-income unit in violation of the regulations governing affordable housing units, payment of an innocent tenant's reasonable relocation costs, as determined by the court.
 2. The municipality may file a court action in the Superior Court seeking a judgment, which would result in the termination of the Owner's equity or other interest in the unit, in the nature of a mortgage foreclosure. Any judgment shall be enforceable as if the same were a judgment of default of the First Purchase Money Mortgage and shall constitute a lien against the low- and moderate-income unit.

- (c) Such judgment shall be enforceable, at the option of the municipality, by means of an execution sale by the Sheriff, at which time the low- and moderate-income unit of the violating Owner shall be sold at a sale price which is not less than the amount necessary to fully satisfy and pay off any First Purchase Money Mortgage and prior liens and the costs of the enforcement proceedings incurred by the municipality, including attorney's fees. The violating Owner shall have the right to possession terminated as well as the title conveyed pursuant to the Sheriff's sale.
- (d) The proceeds of the Sheriff's sale shall first be applied to satisfy the First Purchase Money Mortgage lien and any prior liens upon the low- and moderate-income unit. The excess, if any, shall be applied to reimburse the municipality for any and all costs and expenses incurred in connection with either the court action resulting in the judgment of violation or the Sheriff's sale. In the event that the proceeds from the Sheriff's sale are insufficient to reimburse the municipality in full as aforesaid, the violating Owner shall be personally responsible for and to the extent of such deficiency, in addition to any and all costs incurred by the municipality in connection with collecting such deficiency. In the event that a surplus remains after satisfying all of the above, such surplus, if any, shall be placed in escrow by the municipality for the Owner and shall be held in such escrow for a maximum period of two years or until such earlier time as the Owner shall make a claim with the municipality for such. Failure of the Owner to claim such balance within the two-year period shall automatically result in a forfeiture of such balance to the municipality. Any interest accrued or earned on such balance while being held in escrow shall belong to and shall be paid to the municipality, whether such balance shall be paid to the Owner or forfeited to the municipality.
- (e) Foreclosure by the municipality due to violation of the regulations governing affordable housing units shall not extinguish the restrictions of the regulations governing affordable housing units as the same apply to the low- and moderate-income unit. Title shall be conveyed to the purchaser at the Sheriff's sale, subject to the restrictions and provisions of the regulations governing the affordable housing unit. The Owner determined to be in violation of the provisions of this plan and from whom title and possession were taken by means of the Sheriff's sale shall not be entitled to any right of redemption.
- (f) If there are no bidders at the Sheriff's sale, or if insufficient amounts are bid to satisfy the First Purchase Money Mortgage and any prior liens, the municipality may acquire title to the low- and moderate-income unit by satisfying the First Purchase Money Mortgage and any prior liens and crediting the violating owner with an amount equal to the difference between the First Purchase Money Mortgage and any prior liens and costs of the enforcement proceedings, including legal fees and the maximum resale price for which the low- and moderate-income unit could have been sold under the terms of the regulations governing affordable housing units. This excess shall be treated in the same manner as the excess which would have been realized from an actual sale as previously described.
- (g) Failure of the low- and moderate-income unit to be either sold at the Sheriff's sale or acquired by the municipality shall obligate the Owner to accept an offer to purchase from any qualified purchaser which may be referred to the Owner by the municipality, with such offer to purchase being equal to the maximum resale price of the low- and moderate-income unit as permitted by the regulations governing affordable housing units.
- (h) The Owner shall remain fully obligated, responsible and liable for complying with the terms and restrictions of governing affordable housing units until such time as title is conveyed from the Owner.
