PROCLAMATION

Town of Boonton - Office of the Mayor

Proclamation

WHEREAS, the Month of September is known as National Suicide Prevention Awareness Month and is intended to help promote awareness surrounding each of the Suicide Prevention resources available to us and our community. The simple goal is to learn how to help those around us and how to talk about suicide without increasing the risk of harm

WHEREAS, a recent CDC survey conducted in 2020 since the onset of the pandemic found that almost 11 percent of adults had seriously considered suicide in the last month and that the rates were significantly higher among respondents aged 18-24 years, minority racial/ethnic groups, unpaid caregivers for adults, and essential workers; and

WHEREAS, Boonton NJ is no different than any other community in the country, and chooses to publicly state and place our full support behind local educators, mental health professionals, athletic coaches, pack leaders, police officers, and parents as partners in supporting our community in simply being available to one another; and

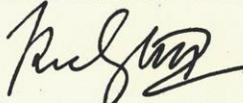

WHEREAS, local organizations like QPR, and statewide organizations like Vet2Vet for veterans and their families, Cop2Cop, for law enforcement officers and their families, 2NDFLOOR, a youth organization to contact for any concern including suicide are on the front lines of this battle; and

WHEREAS, the State of New Jersey, in partnership with Rutgers University Behavioral Health Care, operates several 24-hour anonymous and confidential helplines staffed by peers, volunteers and clinical professionals to provide support and referral for the public and high-risk groups:

WHEREAS, every member of our community should understand that throughout life's struggles we all need the occasional reminder that we are all silently fighting our own battles; and

WHEREAS, all residents are encouraged to take the time to inquire as to the wellbeing of their family, friends, and neighbors and to genuinely convey their appreciation for their existence by any gesture they deem appropriate. A simple phone call, or message can go a long way towards helping someone realize that suicide is not the answer.

NOW, THEREFORE, be it resolved that I, Richard Corcoran, and the Town of Boonton Board of Aldermen/Women do hereby proclaim the month of September 2020 as National Suicide Prevention Awareness Month in the Town of Boonton, NJ.

Richard Corcoran, Mayor
