NOTICE OF CANCELLATION: TRICK OR TREAT TRAIL EVENT

Due to guidance recently received from our Health Official, the Town of Boonton Recreation Department regrets to inform you that our Halloween Trick or Treat Trail event is hereby cancelled. We feel that this is necessary to comply with expert health and safety recommendations.

Thank you very much to all the volunteers who already signed up to host a booth. We apologize for any inconvenience this may have caused you.

In the spirit of the season, we will host a Halloween house decorating competition. Details and information on the contest will be announced shortly.

Best Wishes,

Tracy Pryer
Recreation Director
